After the Correction

<Others>

Operating revenue from other businesses was 19,367 million yen (increase of 1.6% YoY) and operating profit was 641 million yen (decrease of 20.3% YoY).

The "Others" as a whole recorded an increase in revenue but a decrease in profit. This is because, although our restaurant business R.T.

Corporation Ltd. recorded an increase in revenue and profit and our wholesale business Good Live Co., Ltd. recorded an increase in revenue and a return to profitability, our staffing business CENTURY & Co., Ltd. recorded a decrease in revenue and profit. We will continue to strengthen our management foundations by promoting initiatives to enhance industry competitiveness in each of our businesses.
